

## Links for Summer School

### The 'official site'

You can get more information (including the programme) on the [Summer School site](#). Copies of all the Powerpoints will be available here soon!

### Twitter

Before, during and after the 4 days, some colleagues used Twitter to discuss the leadership topics. If you want to see their links, thoughts and comments, here's what to do:

1. Go to <http://tinyurl.com/lss09latest>
2. Read the comments made. (Please note for those unfamiliar with Twitter, each comment must be less than 140 characters. This can sometimes lead to perceptions that commenters are a tad brusque!)
3. Click on blue links with <http://> in front of it to follow a link
4. Click on blue @ to see who is making the comment (eg [@cpdscotsman](#) will take you to Con's Twitter account)

### The CPD Team blog

Many of the links below point to posts on the CPD Team Blog. You can see the complete set here <http://ltsblogs.org.uk/cpdteam/tag/lss09/>
